To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

We are aware of the requirements set forth by the Commission regarding the reporting of 48-hour notices. Of the 37 contributions we received during the 48-hour notice window of \$1,000 or more, we correctly reported 35 (94.6%) in a timely manner. However, we deeply regret the oversight that led to two of our contributions not being disclosed during the 48-hour notice period. We have taken steps with our in house procedures to make sure a reporting error such as this does not occur in the future.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Andy Harris for Congress
